Sir:

In accordance with the requirements of 37 C.F.R. §§1.97 and 1.98, the applicant hereby submits the following information for consideration by the Examiner.

1) Photographs of a Hewlett-Packard HP 57 tri-color print cartridge #c6657a showing a view of the printhead lid and label thereon disposed over what appears to be plural air diffusion vents;

2) Photographs of a Canon BCI-8BK black ink cartridge showing a view of the printhead lid and label thereon disposed over what appears to be an air diffusion vent; and

3) Photographs of a Canon BCI-8WF ink optimizer tank showing a view of the printhead lid and label thereon disposed over what appears to be an air diffusion vent.

S.N. 10/720,353

The Applicant submits this I.D.S. within three months of filing and, therefore, no fees are required. 37 C.F.R. §1.97(b)(1). Under 37 C.F.R. §§1.97(g) and (h), the Applicant further states that the submission hereof is not a representation that a search has been conducted or that the information contained herein is considered material to patentability.

Also, the Applicant apologizes for the informal nature of disclosure but cannot find any better way in which to bring the information to the Examiner's attention. Should the Examiner require the actual products or additional photographs, the Applicant will provide the same upon request. Regarding dates, the Applicant could not find any indicia on the actual products photographed or their shipping containers regarding dates of manufacture, dates of sale or other dates. The Applicant does admit, however, all products were obtainable in the domestic marketplace before the filing date of the instant application.

Respectfully submitted,
